MEMORANDUM FOR Region Commanders, U.S. Army Cadet Command

SUBJECT: Language Scholarship Program

1. Effective SY 07-08 U.S. Army Cadet Command will provide a centrally funded scholarship for individuals majoring in specific foreign languages. The intent of this scholarship program is to encourage enrollment of individuals studying specific languages. It is expected that the list of foreign languages will change across time. A list of eligible languages will be provided on an annual basis. A list of eligible languages for SY 07-08 is enclosed. Individuals already receiving the scholarship will be retained on scholarship even if the specific language is removed.
2. Eligibility criteria are explained in CCR 145-1. The scholarships will be offered for the appropriate amount of time to ensure graduation, end of benefits, and commissioning occurs simultaneously. Participants in this program must be academically and militarily aligned.
3. Scholarships awarded under this program will be centrally funded similar to the Nurse program. The scholarships will not count against brigade funding. Any scholarship Cadet currently majoring in an approved foreign language will be converted to the Language Scholarship. Overseas study for at least one semester is encouraged subject to the current regulations and guidance.
4. Point of contact is Ms. Linda Matthews, (757) 788-4559, DSN 680-4559, e-mail linda.matthews@usacc.army.mil.
